GEZGIN OUTDOOR s.r.o.

Document No.: DOC-CCT-004	Revision: 1.0	Effective Date: 1 January 2026
---------------------------	---------------	--------------------------------

1. Introductory Provisions

1.1 These Terms and Conditions of the Gezgin Customer Card (hereinafter the "Card Terms") govern the issuance, use, and termination of the Gezgin Outdoor Customer Card (hereinafter the "Customer Card"), referred to in Article IV of the General Terms and Conditions of GEZGIN OUTDOOR s.r.o. (hereinafter the "GTC").

1.2 The Card Terms supplement and form an inseparable part of the GTC. Purchases made using the Customer Card in the Seller's stores are governed by the GTC and, specifically with regard to the Customer Card itself, by these Card Terms.

1.3 The Customer Card, together with any related discount or loyalty instruments, remains at all times the property of the Seller, in accordance with Article XIV of the GTC.

2. Issuance and Registration of the Customer Card

2.1 The Customer Card is issued to a Buyer who has completed the Buyer Card registration referred to in Article II of the GTC, upon request made in person at the Seller's store or through the Buyer's sales representative.

2.2 The Customer Card is personal to the registered Buyer (business entity) and may be used by the Buyer's authorized representatives or employees for purchases on behalf of the Buyer. The Buyer is fully responsible for all use of the Customer Card issued to it.

2.3 The Buyer shall promptly notify the Seller of the loss, theft, or misuse of the Customer Card. Until such notification is received and processed by the Seller, the Buyer bears responsibility for transactions carried out using the Customer Card.

3. Use of the Customer Card

3.1 The Customer Card entitles the Buyer to purchase Goods in the Seller's stores under the pricing, promotional, and loyalty conditions applicable to

Customer Card holders from time to time, as communicated in the stores or on the Seller's website.

3.2 Discounts, bonus points, or other benefits linked to the Customer Card are granted at the Seller's discretion and may be changed, limited, or withdrawn at any time in accordance with Article XIV.2 of the GTC.

3.3 The Customer Card is not a payment card and does not itself carry any monetary value; it serves solely to identify the Buyer for the purposes of applicable pricing, promotions, and purchase history records.

4. Validity and Termination

4.1 The Customer Card is valid for as long as the underlying Buyer registration under the GTC remains valid. Cancellation of the Buyer's registration under Article XX.6 of the GTC automatically terminates the validity of any Customer Card issued to that Buyer.

4.2 The Seller may deactivate a Customer Card with immediate effect in the event of suspected misuse or fraud, and shall inform the Buyer thereof without undue delay.

4.3 The Buyer may request termination of its Customer Card at any time by written notice to the Seller.

5. Personal Data

5.1 Personal data of the Buyer's representatives processed in connection with the issuance and use of the Customer Card (including purchase history linked to the card, where applicable) is processed in accordance with Article XIX of the GTC and the Seller's Information on the Processing of Personal Data, published on the Seller's website.

6. Final Provisions

6.1 The Seller may amend these Card Terms at any time; the amended version becomes effective upon publication on the website of the relevant Gezgin Outdoor brand offering the Customer Card.

6.2 These Card Terms are governed by the laws of the Czech Republic, and any dispute arising herefrom is

subject to the jurisdiction provisions of Article XX.8 of the GTC.

6.3 Matters not expressly regulated in these Card Terms shall be governed by the GTC.

Language.
